## Members of the Intelligence and National Security Alliance

<http://insaonline.org/>

“INSA is the premier not-for-profit, nonpartisan, private sector professional organization providing a structure and interactive forum for thought leadership, the sharing of ideas, and networking within the intelligence and national security communities. INSA has over 150 corporate members, as well as several hundred individual members, who are industry leaders within the government, private sector, and academia.”

Includes ex-directors of spy agencies and current spies, ex-White House national security staff, members and ex-members of Congress and their staff, senior military officers, senior corporate personnel and other notables.

The list is not in full alphabetic order.

95 members use an nsa.gov e-mail address.
